Subject: Amended Reregistration Label  
Product Name: Carpet-Guard  
EPA Registration Number: 55070-2  
EPA Decision Numbers: 411668

Dear Ms. Young:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the Pyrethrins RED, and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

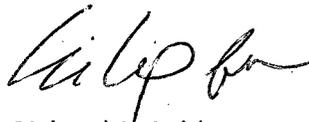

- Basic CSF and Alternate #1, both dated July 29, 2011

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not

complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Samantha Hulkower at 703-603-0683 or [hulkower.samantha@epa.gov](mailto:hulkower.samantha@epa.gov).

Sincerely,

Richard J. Gebken  
Product Manager (10)  
Insecticide Branch  
Registration Division (7504P)

Net Weight \_\_\_\_\_ oz.  
{8 oz through 1 pound}

**Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended, for the  
pesticide registered under:**

{Back Panel}

**PRECAUTIONARY STATEMENTS** EPA. Reg. No: 55070-2

### Hazards to Humans & Domestic Animals

**CAUTION:** Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Thoroughly wash with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

### First Aid

<b>If on Skin or Clothing:</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Immediately rinse skin with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If in Eyes:</b>	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<p>Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-xxx-xxxx for emergency medical treatment information.</p>	

{Note: The First Aid statements' grid format will be used if label space allows, otherwise a paragraph format will be used.}

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### Use Restrictions

Do not apply this product in a way that will contact adults, children or pets either directly or through drift. Remove pets, birds and cover fish aquariums before use. Do not allow adults, children or pets to enter the treated area until dusts have settled. Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment and food preparation surfaces, or wash them before use. Do not use on wet carpets.

This product is an insect control agent intended for use on carpets, floors/floor coverings, upholstery, mattresses and pet bedding. This product is specially formulated to aid in removing carpet odors and as a carpet dry-cleaner. This product is a quick-acting flea, tick and roach killing agent that deodorizes carpets while it kills these pests. This fresh-smelling powder is effective on all types of floors, floor-coverings and upholstered furniture. This product is perfect for periodic treatments of any carpet exposed to your pet. Before using, test a small area of carpet for colorfastness.

Carpet-Guard carpet powder contains pyrethrins, an active ingredient derived from the chrysanthemum plant. Carpet-Guard carpet powder uses diatomaceous earth and bicarbonate of soda as carriers. Carpet-Guard has a pleasing scent to keep your carpet fresh and clean smelling.

**Do not treat dogs or cats with this product.** Where children may come in contact with treated areas, only apply as a crack-and-crevice or as a spot treatment to areas no greater than 3 feet by 3 feet per room at the rate of 1 ounce per 70 square feet. Pets may lay on treated bedding. Do not allow puppies and kittens under 6 weeks of age to contact treated areas before vacuuming. Let product remain for 30-60 minutes before vacuuming. If infestation is heavy, let this product remain 1-2 days prior to vacuuming. Dispose of vacuum bag and contents immediately after each use. Repeat treatment as necessary.

**To Kill Fleas and Ticks:** Apply in places where these insects travel or harbor. Thoroughly apply around woodwork, cracks, crevices, floor and floor coverings. Apply as needed in areas frequented by pets such as rugs, mattresses, upholstered furniture and pet bedding.

**To Kill Cockroaches:** Apply into voids, cracks, crevices or other places where roaches travel or harbor. Apply beneath/behind stairs, sinks, stoves, refrigerators and other appliances; and around garbage cans and cabinets. Treat around/behind moldings, shelving, baseboards, doorsills, doorframes, floors, drains, pipes, pipe openings, plumbing, bookcases, storage and utility installations. For severe infestations apply behind walls and in crawl spaces.

**Storage and Disposal**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store in a cool, dry (preferably locked) area inaccessible to children and pets.

**Pesticide/Container Disposal:** Non-refillable container; do not reuse or refill this container. **If empty:** Offer for recycling, if available; otherwise, discard in trash. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

*{Per PR Notice 2007-4 the batch code/lot number will appear on the label or container.}*

**[Notice:]** To the extent permitted by applicable law, buyer assumes all risk of use, storage or handling of this material not in strict accordance with directions given herewith.
